Dear Friends,

At the tender young age of 58 I ran my first ever full marathon in New York last November. I enjoyed the experience so much I am throwing caution to the wind and training to run a better time in Berlin on September 20th 2009.

As well as trying to improve my 'personal best' I would like to raise funds for Breast Cancer Haven in Hereford. Gill works there and so I hear first hand of the wonderful 'Haven' it is - offering support, information and complementary therapies for breast cancer sufferers.

With no government funding at all they are totally reliant on individual fundraisers. It would be great to know you are cheering me on and at the same time helping this very worthy charity with your donations.

All your donations will go to Breast Cancer Haven (plus your gift aid). Please go online to www.justgiving.com/merv-the-swerve or send the form below with your cheques made payable to Breast Cancer Haven to me at the above address.

Many Thanks,

Merv

I enclose my donation of £
